ARTE ILLUMINA

ILUMINACIÓN ARTE ILLUMINA

LUZ_ Esta fuerza invisible que impregna cada rincón del mundo es mucho más que una simple condición para el hombre. Es un creador, un artista que da forma al espacio que nos rodea y resalta su belleza.

El arte de la iluminación es de crucial importancia, ya que da vida al espacio y crea la atmósfera que deseamos.

La luz puede dar forma al espacio y dar profundidad y dimensión a una habitación o un edificio. Resalta los colores y detalles de los materiales utilizados en su construcción y revela la rica textura de las superficies. Una configuración de iluminación adecuada puede crear escenas dramáticas, cambiar la atmósfera y darle forma según el efecto deseado. ¡En EUROLAMP hemos creado la nueva serie de iluminación ARTE ILLUMINA que se adapta a cualquier hogar o espacio profesional y combina diseño y funcionalidad!

ARTE ILLUMINA LIGHTING

LIGHT_ This invisible force that permeates every corner of the world is much more than a mere condition for human. Light is a creator, an artist who shapes the space around us and highlights its beauty.

The art of lighting is crucial, as it gives life to the space and creates the atmosphere we desire.

At EUROLAMP we created the new series of ARTE ILLUMINA lighting fixtures that comes to suit any home or professional space and combines design and functionality!

EUROLAMP is a constantly growing Greek company that pioneers and innovates, making a difference for 26 years!
Is a constantly evolving company with new products of modern technology that meet the requirements of modern trade, are environmentally friendly and follow all the European and International Legislation rules.
Has a wide variety of lighting products (domestic and professional use), bulbs, electrical equipment, Christmas lighting and decoration, air conditioning units ZEPHYRUS - AERE, electrical appliances, batteries, photovoltaic systems LIGHTBORN SYSTEMS, EMOOV electric mobility products (e-scooters and sea-scooters) and home decoration items ESTHETI.
Maintains reliable and long-term partnerships and has a strong sales network with more than 3,000 selling points in Greece, Cyprus and more than 30 countries inside and outside the EU.

An investment to the future

In 2024, EUROLAMP completed a 15 million euros investment, bringing all company's activities into a new modern business complex. This includes a high-end logistics center, new offices, showrooms, upgraded technical and IT equipment, which in combination with the experience, expertise and knowledge of human resources ensure an excellent customer service.

Our values

- Respect with consistency and reliability
- Personal and business ethics
- Creating unbreakable relationships with our partners
- Innovation and continuous development
- High quality products and services
- Continuous investment in human resources
